Sports-related Health for Children

Wednesday, August 10, 2011 | 5:30 p.m.

Location: VCU Sports Medicine, 1300 W. Broad St., Parlors

Join us for a special seminar about children's sports-related ailments and how to prevent and treat serious injuries. Guest experts on the panel include: Dr. William Moskowitz (sports-related heart issues), Dr. Charles Dillard (traumatic brain injuries) and Drs. Thomas Loughran, Victoria Kuester and Seth Cheatham (orthopaedic injuries). **Registration is required.** Free parking available.

Call (804) 828-0123 to reserve your spot today.
